Bushveld Adventure & Training Camps

“We put the Fun back into Learning !”

Quality training, interesting programmes and exciting activities are presented at Bayete. All age groups and levels are accommodated, including children, the youth, scholars, students and adults, religious groups and business people.

Bayete is situated on a game farm in the heart of the Waterberg Bushveld, a mere 1½ to 2 hours from Gauteng along the N1 North Freeway. Bayete can accommodate up to 250 visitors at a time, in three different camps, depending on sleeping arrangements.

The facilities at Bayete are of excellent standard for the purpose, and comprises lecture halls, a well-equipped kitchen, an obstacle course, sports fields, an abseiling wall, hiking trails and various other facilities. Accommodation is in the form of dormitories with modern ablution facilities, mountain chalets and a bush camp.

The traditional veld school elements are still noticeable at Bayete, but in a flowing, new programme with an innovative, modern approach and new ideas. Programs normally continue until 22:00 in the evening.
